On The Inside...

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1952 Mangonel Staff that, as you glance through this book in the years to come, you will recapture those moments ---and the echoes will begin again.

A MESSAGE FROM OUR PRINCIPAL

The world is looking and waiting for the intelligent, the ambitious, the capable young man and woman. But it is also eagerly awaiting the decent young man and woman. In fact, it must have them. Young man and young woman, if you do not know right from wrong, you had better concern yourselves with moral and spiritual values. But that is not all. You must exercise yourself accordingly. Remember you cannot be good without doing good, and you cannot do good haphazardly. You must know, you must be able to act wisely. Everything depends on it. Your own future, your family's future, your country's future, all depend on your acting wisely.

This is a challenge to every red-blooded American youth. Either we go straight, or we fail completely and miserably. We hope that Buhler Rural High School helps us to meet the challenge wisely and well.

"Come and get it!"

The group of students nominated by the student body is the Student Council. They meet to plan for annual student events and to discuss and work with problems that arise. Their purpose is to secure cooperation between students and faculty, to foster school spirit, and in general to promote democratic living on the campus.

Debaters Begin Busy Season

Buhler Versus Haven
In Practice Debate

The Buhler debaters had their first taste of debating against opponents from other schools last Friday, November 16, when eight Haven debaters came to Buhler for four debates held in different class rooms during the second hour. The Buhler debaters are Elsie Enns, Bob Freeman, Jack Miller, Richard Leffel, Carolyn Siemens, Joe LaFever, Hugh Grant and Erma Buller. Mr. Siemens is their coach. Six members of the group meet in the music hall every day during the second hour. Elsie Enns and Hugh Grant meet with Mr. Siemens after school.

The members of the debate squad have been very busy trying to get sufficient material, writing up an outline on the material, memorizing their speeches and learning to deliver them in an effective way. The question this year is solved: That all American citizens should be subject to conscription for essential war service in case of war. The jobs for the debaters on the affirmative side is to find hundreds of pages of material to support the idea that there is a manpower shortage. The affirmative debaters must also find evidence of conscription and choose the one they think is best and show that it would work and would solve the manpower shortage in case of war. The negative debaters must show the opposite—that there is no need for such a plan and be prepared to show that any plan of conscription will not work. The most advanced training of the debater is the training for the refutation of the opponents' arguments when he gets up for the second time in debate. This requires anticipating every argument which the opponent might advance, to find its weakness, and then to prove that it is not supported by facts or conflicts with another statement of the same side or to find that the plan has been tried before and failed.

NEW BUSES ORDERED

Because of the crowded conditions on the four buses, two new ones have been ordered. Both are twenty passenger buses. Mr. Unruh expects them to be in operation about the middle of October. At present the four buses transport approximately 150 students.

Crusaders Crush Determined Dragons

Winter Hits 27 Points
For Top Scoring Honors

The Buhler Crusaders trounced the Halstead Dragons to the tune of 60-41 on the Buhler court last Friday, December 14. Johnny Winter was high point man with a grand total of 27 points. The strong Dragon five got off to an early lead, but the Crusaders put out the fire and went ahead 18-12 by the end of the first quarter. The Crusaders really went to town in the second quarter. They made

Patrons Vote "YES"

The patrons of the Buhler Rural High School district voted "yes" by a margin of 208-91 for a \$220,000 bond issue on November 6, 1951.

Because of this vote the high school will be given additional vocational agriculture shops, more classrooms, an increase in library space, and industrial art shops which will include room for wood-working, metal working, and drafting.

is a short skit telling the troubles and displeasure of a theatre audience. The following students make up the cast: Gloria Base, Harvey Thiessen, Jack Elliott, Virgie Regier, Abie Siemens, Joyce Dirks, Sandy Terry, Franklin Riffel, Alfred Schmidt, Shirley Regier, Guy Riffel, and Patricia Franklin.

GLEE CLUB TO OBE

The sixty-two members of the boys' glee club directed by Mr. Senner plan to travel to the Obee School tonight where they will present a concert at the regular P.T.A. meeting.

Drivers Training Class Begins

Arrival of New Car
Arouses Enthusiasm

The Drivers Training course which is being offered for the first time at B.H.S. this year was begun on Monday, November 19, with 18 students enrolled and Mr. Siemens as instructor. The class meets during the 7th hour in the agriculture building class room.

A new four-door 1951 Chevrolet has been lent to the Buhler school by the Davis-Child Motor Company of Hutchinson for the drivers' training course. The company thinks the student will learn to drive the car so well that later on he will want to own one like it. It is the very newest model, has the best seat covers and an interior which will protect the surface of the car. The car is serviced throughout the year and replaced when it is necessary. It is equipped with controls which enable the instructor to stop the car whenever he it necessary.

In learning to drive this course includes a study of the car, learning about the car, and everything that goes into driving a car. Mr. Siemens is the text book, "Sportsman-Driving," published by the American Automobile Association, Washington 6, D. C., and also the book. The following are included in the book: the driver and the pedestrian, sound driving habits, how to drive, and the

A CLASS TO WICHITA

The district speech festival is to be held in Wichita on March 15. There are a wide number of choices offered in the speech contest. Two persons may be entered in each of the following fields: humorous reading, dramatic reading, oration, original oration, extemporaneous speech, and informative speech. The speech class has been working very hard on their readings and speeches in order to get them ready for festival. This year the district festival precedes the league festival which is to be held at Halstead on March 21.

The following students are members of the speech class which is being taught by Miss Bradbury: Marian Janzen, Joyce Dirks, Sandy Terry, Bill Albright, Belva Phillips, Carolyn Siemens, Irma Buller, Bob

Reunion?

This way boys.

Who's the girl?

FALL

The wistful goodbye which most of us said to summer's vacation was soon forgotten as meeting old friends and gaining new ones gave birth to a warm enthusiasm and expectation for the coming year. We vividly recall the hours spent in planning our class schedule...freshman initiation...fall Sports...The Frolic...and especially getting used to doing our work assignments.

Somethin' you et'?

Late hours?

She's too young!

Funny isn't it?
Glamour boy?

Ladies man!
Girls! Not in public!

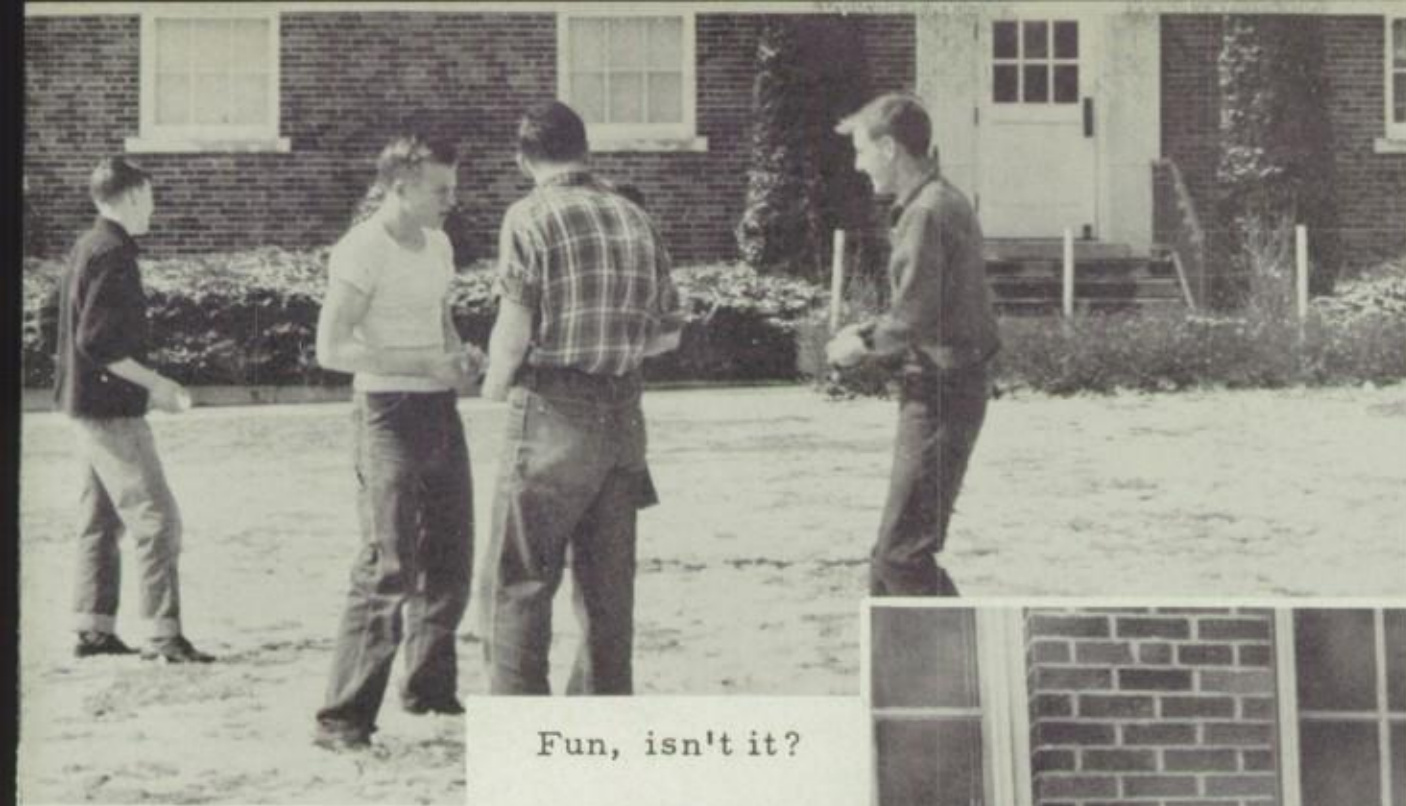

Look, no hands!

Triplets?

Congratulations
DR. & MRS. JARROTT

Fun, isn't it?

Br-r-r-r!

Duck Jane Duck!

Oh now, not really.

Taste good?

Why so sober?

Take it easy, Bob.

Wash it good!

That's my boy!

WINTER

Winter...its first snowfall bringing out the color in our cheeks...snowballs...and even an unexpected vacation because of snow. Christmas and good will...it came and went all too quickly, and before we knew it semester exams were making some systematic cramming a necessity. We went through the basketball season... some banquets...and then... Winter was past.

Pretty, isn't it?

I'm still tallest!

M-a-a-m-a-a

SPRING

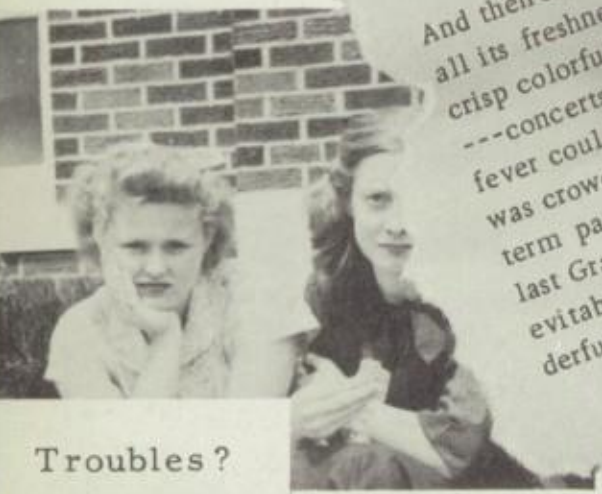

And then came Spring! Bursting forth in all its freshness and loveliness. Girls in crisp colorful cottons... track and tennis ---concerts... picnics. But even Spring fever could not interrupt studying which was crowded upon us in order to finish term papers and take final exams. At last Graduation Day arrived with its inevitable goodbyes--goodbye to a wonderful year which will never be forgotten.

W-e-l-l

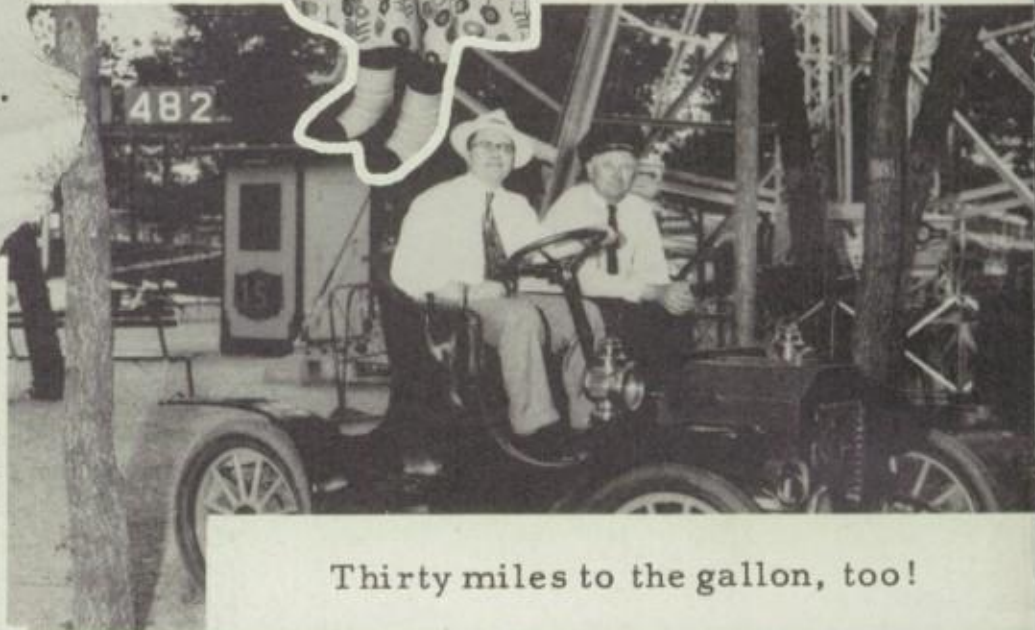

Pouting

Troubles?

Modesty?

Thirty miles to the gallon, too!

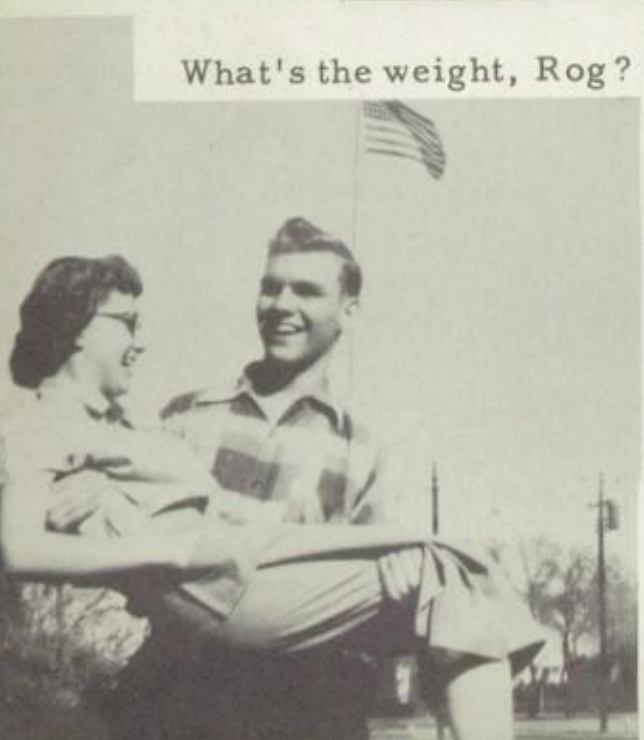

Now let me see.

Comics or cramming?

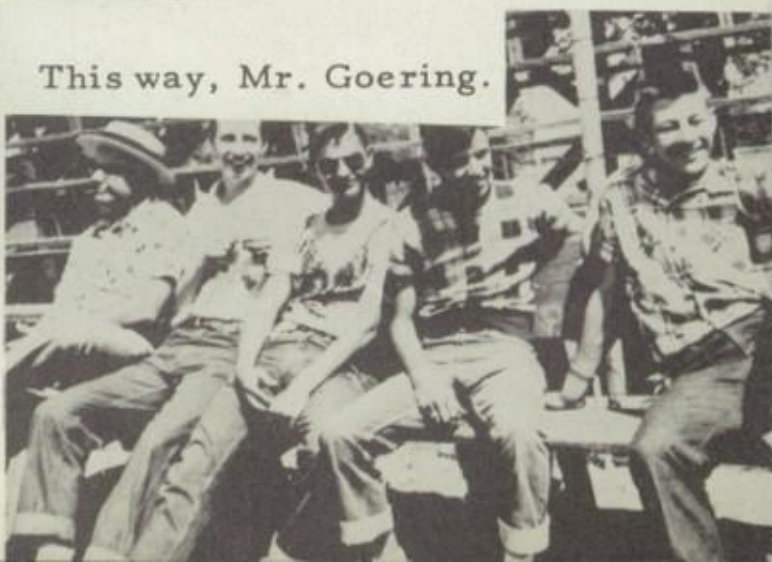

What is it--a man?

What's the weight, Rog?

Please, Honey!
